Then any records you kept from him telling you he was robbed for cash not Marijuana after he watched

Kelly Tobin testify & was asked to leave the court room by Joe after my family noticed him in there.

He changed his story 5 times & I need all the notes & records I'm sure you kept to prove it. I need to show why the Government didn't want him to testify as you said. Why you Excused Christopher Glover without my knowledge, consultation, or consent before he was supposed to testify to prove my innocence that I never robbed or attempted to rob or shoot anyone, I will never understand. I asked you to explain a few times & have been ignored.

Please Sir Send me all notes & records pertaining to everything I've described in this letter.

- Take Care & God Bless. I pray all is well for you in this Pandemic.

P.S. I also need all the pictures of the injuries to my Back & Arms to show I was attacked & held from behind. How could a victim Grab me from behind Prior to me forcing him to the ground at Gun Point as prosecutors Presented? It's impossible

Why did you tell Chris Glover to go home? You still never explained why you went against my instructions & Our plan. I gave you elaborate Questions for him. I'm so confused.
